ARE YOU CONSTRUCTING YOUR OWN STAND (BARE SPACE SITES- Architectural / Design Guidelines)

In order to make your stand more attractive and harmonious with the overall hall design and décor, the following **Design Guidelines** have been formed to help your designer/decorator to conceive best possible design of your stand within the design parameters which needs to be followed by all concerned.

Maximum Permissible Height of Stands (Including Fascia)

- Exhibitors in Hall 1,3 = 10 ft.
(Pl submit booth design and technical drawings of the booth duly certified by structural engineer for structure safety and stability. Construction of mezzanine floor not permitted)

Exhibitors are requested to please bring in **prefabricated structures** if constructing their own booths / stand to ensure all construction is completed by 10 PM on 10 November 2024 and display is completed by the deadline i.e. by 10 PM on 10 November 2024.

General Guidelines for all Exhibitors

(Very important: All exhibitors must read and follow strictly)

Exhibitors can appoint any qualified contractors for their booth designing and construction; they are free to choose either from the listed companies given on page no. 27 or any such contractor of their own choice. However, they have to ensure that their appointed contractor is registered with the organizers latest by **5 November 2024**. They also have to intimate to the organizers in the prescribed **Form I** about the details and authority given by them to such booth construction companies. Please note, exhibitors will be directly liable for the conduct and actions of their appointed contractor. They have to compulsorily get designs of their proposed booth approved from the organizers before the due date **06 November 2024**.

Following formalities must be completed by each exhibitor

- Fill and submit duly signed prescribed **Form I** along with **Booth Design**.
- Copy of the GST Certificate of the booth Construction Company must be submitted along with the above form.
- Submit the Booth Design with Elevation Plan & Electrical Layout for approval by 06 November 2024.
- Submit duly signed exhibitor undertaking on your letterhead as per **Form IV**
- Only the Contractors registered with the organizers by the exhibitors will be allowed to undertake booth construction at the venue.
- All booth designs whether to be constructed inside a Modular Booth or Raw Space must be certified by Structural Engineer and be submitted to the organizers **for approval** either directly by the exhibitors or by their registered contractor latest **by 06 November 2024**.
- All contractors must obtain a **Certificate to Build** from the organizers before they can start construction or booth display work at the venue. This certificate will be issued at **Organizers office** only on receipt of: **[1] No Dues Certificate [2] Approved booth design copy [3] Additional Electricity load requirement form and Exhibitor's Undertaking on Company Letterhead**
- All workmen and Team members of the Booth Designer and Contractors must wear **Construction Badges** without which they will not be permitted to work at the premises. **Construction badges will be issued at the Organizers office on submission of Form II.**
- While planning and constructing your booth, respect your neighboring booths which have a common wall to yours. Do not create structures and designs which obstruct your neighboring booths. Ensure that the backsides of your walls are properly finished and do not spoil the view or design of the other booths. **All exhibitors constructing their booths may please note, Back-to-Back Finish & Paint of walls is the responsibility of the exhibitor of the booth.**
- Ensure that during the onsite construction activity of your Booth, Aisles, Common Areas and Neighboring Booths are not encroached upon and are kept completely free.
- Organizers support and **promote environmental and eco-friendly construction activities** to minimize air and noise pollution. Hence, **basic carpentry, painting and polish work is not allowed on site. All components of the booth must be produced in the contractor's workshop.** Only such prefabricated modular components are allowed to be assembled and finished at the venue to minimize carpentry. **Excessive carpentry work causing major inconvenience to other exhibitors on site will not be allowed by the organizers.**
- **All booth walls, furniture, lights, exhibits, merchandise and fittings etc. should be free standing or mounted on the booth walls. No. drilling or construction work on the hall**

floor is permitted. Any such damage, if caused, will be recovered from the exhibitor along with penalties.

- During booth construction activities, all your material should be kept in the designated area of your own booth. Walking aisles should be left free. Safety should be your foremost concern at all times.

Most Important:- All exhibitors constructing their own booths must have the designs/plans duly certified by a **Structural Engineer for structural safety and stability**. The Copy of the same be submitted to Organizers by **06 November 2024 for approval**. Any modifications to the approved booth design must be submitted for approval again. Booth installation not complying with the most recent plan received and approved will not be permitted.

FIRE, SAFETY PRECAUTIONS & SPECIAL INSTRUCTIONS FOR EXHIBITOR'S CONSTRUCTING OWN BOOTHS - [TO BE FOLLOWED BY ALL]

- Exhibitors are permitted to construct their own booth under the supervision & guidance of a Structural Engineer. All exhibitors constructing their own booths must have the designs/plans duly certified by approved Structural Engineer for safety and stability. The same should be approved by the organizers
- The Organizer reserves the right to obtain a copy at any given time during the expo for information and record. **(KINDLY USE ENCLOSED FORM I and submit by 06 November 2024)**.
- The Organizer reserves the right to stop construction if it is noticed that the construction is not safe and stable. It is the sole responsibility of the exhibitor to ensure that the construction is safe and the guidelines are followed.
- Exhibitors are requested to submit the details of their Contractor/Agency as per the enclosed format within the specified deadline for issuing contractor badges. **Kindly fill up and submit enclosed Form-II by 06 November 2024 for issuance of Construction Badges**.
- The Organizer will not be responsible for any delay on account of non-submission/late submission of the required information by the exhibitor.
- No display, construction or projection of construction elements shall be permitted in the passages.
- Constructions of stands must be confined within the allotted area and should not project into or over the stands or gangways.
- Exhibitors are requested to kindly contact their hall manager for taking possession of the exact location of their space within the hall before commencing construction of their stall.
- Exhibitors opting for bare space are advised to bring pre-fabricated stands to avoid any delay in erection of their booth or damage to the venue property.
- **Use of inflammable material like dry grass/straw, bamboo sticks, jute, synthetic fabric, wallpaper or fabric/flex masking, surgical cotton, wood chips & wooden scraps will be strictly prohibited.**
- **Electricity is not included in the Raw Space package. Exhibitors who have booked raw space need to order Electricity (KINDLY USE FORM III and submit by 06 November 2024). The load will be provided on orders of hall managers at site/allotted space on production of electric load sanction, given by the organizer at the organizer office along with the Certificate to Build.**

- Access to electric meters/main distribution boards, public conveniences and emergency exits shall be left clear during construction and display.
- Exhibitors opting for bare space from the shell scheme will not be entitled to any refunds on their stand rent, any additional items or services etc. in lieu of the above during the Show.
- Only the agencies empanelled and authorized by the Organizer (as per list enclosed) or the agency registered by the exhibitor by **05 November 2024** will be allowed to work inside the show halls.
- **Empty boxes, cartons and other packaging materials shall not be kept in the halls as the same pose a serious fire hazard.**

- **Electrical works in the stands MUST be entrusted to licensed electrical contractors and use of ISI Certified & Fire Insurance approved material shall be mandatory.**
- **The electrical engineers of IEML shall provide connections from the tapping point of the main power line to each constructed and electrical fitted stand.**
- **Fire Precaution: For all construction with wooden material involved, raw space contractors are required to place one functional fire extinguisher at a conspicuous spot within the assigned area during the construction period including the day of dismantling & show days for safety reasons.**
- **Exhibitors are advised to monitor the jobs executed by their contractors and ensure only Fire Insurance Approved branded wires and fittings are used. Electrical fire is a constant threat due to use of poor-quality material and unauthorized tapping of electricity in the bare/raw space booths.**
- **In case of any untoward incident on account of negligence on part of the exhibitor or the contractor engaged by the exhibitor due to above matter – the exhibitor will be solely responsible for the loss including the loss caused to the property of the Organizer, Venue, Exhibitors & Contractor.**

All Exhibitors constructing their own booths are required to install fire extinguishers during the construction & show period including the period of dismantling. In case, the exhibitor's fail to do the same, the Organizer will install and charges shall be billed to the exhibitor.

The organizer reserves the right to close the stall if the above guidelines are not followed by the exhibitor/contractor.

DISTRIBUTION OF PROMOTIONAL LITERATURE

Promotional materials such as product catalogues and brochures can only be distributed by the exhibitors within their booths. Exhibitors may please note that distribution of promotional literature in passages, common area, lounge or restaurant or in the expo ground (other than their stand) is strictly prohibited. Organizers have the right to confiscate such promotional literature.

POSSESSION OF STAND - AUTHORITY LETTER

Possession of the stand will be given to the exhibitors subject to receipt of full payment and clearing all dues whatsoever that may accrue before taking possession of their stand and on submission of Authority letter as per the Performa enclosed i.e., **FORM-IV**.
