

SHOWDAILY DAY 3

CELEBRATING VISION, EFFORT & IMPACT: THE VALEDICTORY DAY AT BHARAT SHIKSHA EXPO 2025

Bharat Shiksha Expo 2025 concluded on a high note, celebrating innovation, collaboration, and the future of education. With strong participation and visionary insights, the stage is set for an even bigger edition next year.

Dr. H. Chaturvedi, Director General, IILM University, presided as the Chief Guest, offered valuable insights on the changing landscape of Indian education and the need for continuous reform and industry-academia synergy. He emphasized that the next decade will be transformative for education in India, with platforms like Bharat Shiksha Expo playing a key role in connecting universities, startups, and students. He noted that,

“This year there was significant participation, including 15 start-ups presented by AKTU, along with major Indian and International institutions collaborated which indicates towards a display of stronger global partnership.

He praised **Greater Noida's Knowledge Park** as a growing hub for quality education and stressed the need for **upskilling and reskilling**, especially in a world reshaped by **AI and Machine Learning**.

Calling Bharat Shiksha Expo a “**Mahakumbh of Education**,” he applauded the organisers and participants for building a platform that fosters innovation, collaboration, and future-ready learning.

He was joined by a distinguished panel of guests including **Prof. Dinesh Sharma**, Member Secretary of UP-SLQAC & Nodal of Bharat Shiksha Expo 2025, Higher Education Department, Govt. of UP, **Prof. (Dr.) Avadhesh Kumar**, Pro Vice Chancellor, Galgotias University; and **Mahip Singh**, Head-Innovation Hub UP, AKTU.

Exhibitors were honoured by the Chief Guest for their excellent and groundbreaking offerings, as Bharat Shiksha Expo continues to play a key role in revamping the landscape of education and career opportunities.

The successful conclusion of Bharat Shiksha Expo 2025 reflected the strong vision of Dr. Rakesh

Kumar, Chairman of India Exposition Mart Limited, whose leadership has been instrumental in building a vibrant ecosystem for education. As the event came to a close with a heartfelt vote of thanks, it once again reinforced Greater Noida's rise as a leading hub for academic excellence and innovation.

Together, they reflected on the impactful journey of the Expo, applauding the energy and engagement of students, educators, and institutions. Their words resonated with everyone present, highlighting how events like these not only showcase India's educational potential but actively shape its future.

Glimpses

Glimpses

Glimpses

BHARAT SHIKSHA EXPO 2025 AT A GLANCE!

The second edition attracted over **100 exhibitors** from various segments, including **higher education, skill education, startups, study abroad, edu-products, loans, and scholarships.**

Activities such as **Creathon (Ideathon, Hackathon, Startathon, and Codethon), Robo Race and Robo Soccer, Drone shows, IT demonstrations, and interactive workshops on nature and robotics** were conducted for students. Approximately **3000 students** participated in these activities.

Leading Institutions Showcase at Bharat Shiksha Expo 2025

Bharat Shiksha Expo 2025 witnessed the enthusiastic participation of top universities and institutions from across the Delhi-NCR region and beyond. Esteemed names included **Galgotias University, GL Bajaj Institute of Technology and Management, GLA University, Sharda University, JSS Academy of Technical Education, SRM Institute of Science & Technology, IIMT Group of Colleges, KITE Group of Institutions, Institute of Management Studies, Gautam Buddh University, GNIOT, IEC Group of Institutions, Ishan Educational Institution, TERI School of Advanced Studies, The Institute of Chartered Accountants of India, Indian Institute of Packaging, and Delhi Technical Campus.**

Renowned national institutions such as **IIT Kanpur, IIT Madras, Dr. APJ Abdul Kalam Technological University (Lucknow), Integral University (Lucknow), Bharatiya Vidyapeeth Deemed University (Pune), and Mind Power University (Bhimtal, Uttarakhand)** also made a strong impact with their innovative offerings.

Adding a global dimension to the event, three international universities — **Grigol Robakidze University (Georgia), Kursk State Medical University (Russia), and Whitworth University (USA)** — showcased their academic programs, opening up new avenues for students aspiring to study abroad.

Stalls by the **Footwear Design and Development Institute and the National Institute of Fashion Technology** were additional attractions.

The gross area of the expo was over **7000+ SQM.**

Segment-wise participation included: **Association, Banking & FOREX, COACHING & Scholarship, ED-TECH & Products, GOVT DEPARTMENT, HIGHER EDUCATION, HIGHER EDUCATION-INTL, Media & Publication, SKILL EDUCATION, Start-Up, and STUDY ABROAD,** totalling 108 exhibitors.

The overall visitors were **above 1 lakh** with an overwhelming response comprising students, parents, educators, and industry professionals.

SPECIAL MEETING WITH INTERNATIONAL UNIVERSITIES AT BHARAT SHIKSHA EXPO 2025

For building global pathways for learning, and forging thriving collaborations worldwide, a special meeting was held at the VIP Lounge on the 3rd day of Bharat Shiksha Expo 2025, bringing together **Prof. Dinesh Sharma, Member Secretary of UP-SLQAC & Nodal of Bharat Shiksha Expo 2025, Higher Education Department, Govt. of UP** and distinguished representatives from leading international universities. Delegates from **Grigol Robakidze University (Georgia),**

Whitworth University (USA), and Kursk State Medical University (Russia) participated in thoughtful discussions focused on collaboration opportunities, academic exchange, and strengthening ties between Indian institutions and global education networks. This meeting reflects Bharat Shiksha Expo's commitment to expanding global connections and offering new pathways for students and institutions alike.

LEARNING BY DOING – ACTIVITIES THAT LIT UP DAY 3

While the conversations and panels brought policy and strategy to the forefront, it was the hands-on activities that truly energized students and made learning joyful. These activities collectively engaged approximately **3,000 students**. Here's a glimpse of how Day 3 unfolded through its vibrant activities:

Codethon – Unleashing the Power of Young Coders

The **Codethon** at **Bharat Shiksha Expo 2025** witnessed an electrifying participation of around **450 students**, bringing coding skills and innovation to centre stage.

Students from institutions like **Galgotias University, IIMT, GNIOT, Pragyan Public School, Ryan International School, Kothari International School, Uma Public School**, and others showcased their passion for problem-solving and tech creativity.

The high-energy coding arena was a true celebration of young tech talent, where logic met imagination and future tech leaders excelled.

Hack, Start, Innovate: Ideas That Shape

Tomorrow!

The Hackathon at Bharat Shiksha Expo 2025 was a powerful showcase of young innovation and problem-solving brilliance. With 25 dynamic teams participating, students from **Galgotias University, Mahatma Gandhi Mission College, Rajkiya Inter College, and GNIOT** brought fresh ideas and unstoppable energy to the table.

From developing tech-driven solutions for real-world challenges to reimagining everyday processes, the Hackathon was a celebration of creativity, collaboration, and courage. Every team left a mark, proving that with the right platform, students can be the architects of the future.

Adding to the momentum, the Startathon featured 6 entrepreneurial teams from IIMT and Galgotias, where students pitched exciting startup ideas that could redefine industries.

Together, both events highlighted the spirit of innovation, leadership, and bold thinking that today's youth bring to the future of India.

NATURE'S WORKSHOP – LEARNING BY DOING, THE NATURAL WAY

The **Nature's Workshop** continued to be a buzzing hub of excitement at Bharat Shiksha Expo 2025, inspiring students through hands-on science, wellness, and creativity on the day 3rd as well.

Aarogyam Workshop saw an enthusiastic participation of approximately **300 students** from schools and colleges like **K.R. Mangalam School, Pragyan Public School, Rajkiya Inter College, Galgotias University, and IIMT**. Students eagerly explored health sciences by learning about blood group testing and blood pressure monitoring. In the Chemical/Impurity Testing session, around **240 students** participated and conducted fascinating experiments to detect impurities, connecting theory with real-world applications. The Cosmetic-Making Workshop turned creativity into a cherishing experience, where nearly 416 students learned the art of making their own soaps and lip balms, and lotions—an experience both fun and enriching.

The vibrant participation across these workshops reflected a strong appetite for experiential learning, scientific curiosity, and sustainable innovation among students.

Robotics Workshop – Shaping Innovators of Tomorrow

The Robotics Workshop on Day 3 of Bharat Shiksha Expo 2025 saw an incredible turnout with around 250 students diving deep into the world of technology and innovation.

Students from institutions like **Galgotias University, IIMT, GNIOT, Pragyan Public School, Ryan International School, Kothari International School, Uma Public School**, and others engaged enthusiastically in hands-on sessions.

From assembling robots to exploring the basics of AI, the workshop empowered students to think critically, solve problems creatively, and envision a future where they are not just users of technology, but its creators.

QUIZ & CAREER COUNSELLING – FROM CURIOSITY TO CLARITY

The final round of the Quiz competition at **Bharat Shiksha Expo 2025** brought out the brightest young minds, as seven teams competed with energy and enthusiasm. Schools like **Bharat Ram Global School, Greater Noida World School, Pragyan School, Ryan International School, Bal Bharati Public School, KR Mangalam World School, and Kothari International School** battled it out across topics like science, technology, business, and general knowledge.

After a close contest, **Ryan International School** emerged as the winners, followed by **Bal Bharati Public School and Kothari International School** in second and third place.

Meanwhile, the Career Counselling Zone continued to be a strong support system for students, helping them find clarity about their future paths through expert advice on courses, scholarships, and career options. Four expert counsellors from renowned organizations like KIET Group of Institutions, an Independent Study Abroad Consultant, and Mappen offered personalized advice to eager students. Around 130 students took this valuable opportunity. Free education and career counselling sessions were

availed by over **600 students**.

Ideathon – Where Ideas Took Flight

The **Ideathon** at Bharat Shiksha Expo 2025 was a vibrant display of creativity and problem-solving, with approximately **43 teams and 120 students** putting their minds to work.

Participants from institutions like **Indraprastha College, NIET, and others** brought forward fresh, innovative ideas aimed at real-world challenges, showing that big thinking truly starts early.

Where Young Voices Created Big Dreams!

Adding a lively rhythm to the energy of Bharat Shiksha Expo 2025, around 100 students enthusiastically participated in a Singing Competition held with the support of T-Series Stage Works Academy. The event was a true celebration of talent, passion, and creativity.

Through experiential learning, innovation showcases, and expert mentorship, emphasis on co-curricular learning Bharat Shiksha Expo 2025 once again reaffirmed its role as India's leading platform for shaping the future of education.

Testimonials

Prof. Dinesh Sharma, Member Secretary of UP-SLQAC & Nodal of Bharat Shiksha Expo 2025, Higher Education Department, Govt. of UP

Bharat Shiksha Expo is giving students a truly holistic experience. It's not just about exploring universities or courses, it's about helping them think clearly about their future. Especially now, when students have just received their results, this platform is perfectly timed. It helps them understand their options, whether they want to study in India or abroad, and what career paths they can pursue. With so many choices available, Bharat Shiksha Expo brings it all together under one roof, making it easier for students and parents to make informed, confident decisions.

Arti Khandelwal, GL Bajaj Institute of Technology and Management

It's a pleasure to be part of Bharat Shiksha Expo once again! The footfall this year has been very encouraging, and it's wonderful to see such a vibrant response from students and educators. The activities and workshops are truly helping students learn and explore in new ways. We sincerely appreciate the efforts of the organisers for creating such a thoughtful platform where education, innovation, and opportunities come together. Looking forward to many more editions like this!

Mr. Gagan Kumar Gautam, Radio Programmer Producer, Suno Sharda FM

This is a spectacular three-day event, and I can see a huge footfall here of students. They are coming up with their queries. Some are coming up with their parents and enquiring about the School of Media, Film & Entertainment of Sharda University, as to what it is about and what we are offering to them. So, we're telling them about the acting courses equipped with voice modulation programmes, RJ, editing and production that they can learn here.

Dr. Shuchi Mehra, Professor & Head of the Department of Management Studies at Chandigarh Group of Colleges

It's a proud moment for me to return to Bharat Shiksha Expo! During the first edition, I had the honour of being here as a motivational speaker, and today, I'm thrilled to be part of a panel discussion. I truly thank the organisers for creating such a thoughtful platform. Twenty-five years ago, students had to visit one university at a time, searching for information. Today, through Bharat Shiksha Expo, students can explore a plethora of opportunities, courses, and services all under one roof. It's incredibly convenient and empowering for them to plan their future with clarity and confidence.

Nino Gordelazde, Vice Dean - Grigol Robakidze University, Georgia

Being a part of Bharat Shiksha Expo has been a truly rewarding experience for us. The platform is not just about showcasing our services, it's about collaboration, building relationships, and being part of a larger movement toward global education. Events like Bharat Shiksha are leading the way by bringing institutions, innovators, and students together under one roof. It's helping us build strong traction, reach the right audience, and contribute meaningfully to the future of education. We are grateful to be part of this incredible journey.
