BHARAT SHIKSHA EXPO 2025

Your Gateway to Educational Excellence

Bharat Shiksha Expo 2025 is all set to open its doors with a powerful and inspiring inauguration ceremony, bringing together top dignitaries, policymakers, education visionaries, and institutional heads from across the country. The grand opening will mark the beginning of three days of meaningful conversations, live experiences, and dynamic engagements focused on the future of education in India.

The show will be inaugurated at **11:00 AM on 24 April 2025** in the presence of Vice Chancellors of Universities, Senior officials from the Department of Higher Education, representatives of GNIDA (Greater Noida Industrial Development Authority), and distinguished academic leaders from across India and abroad.

The opening ceremony will witness participation from **Chancellors, Vice Chancellors, Principals, Deans, EdTech innovators, Policymakers, and student leaders**, all gathered to champion the cause of educational transformation.

The inaugural ceremony will celebrate the Expo's mission to bridge the gap between knowledge and opportunity, and to create a space where innovation in education is not just discussed but lived. From traditional learning systems to futuristic technologies, this event covers it all under one roof.

A WORD FROM OUR CHAIRMAN

Dr. Rakesh Kumar
Chairman, India Exposition Mart Limited (IEML)

"Bharat Shiksha Expo is way beyond an exhibition; it is a growing movement. It's where institutions, innovators, and young minds come together to reimagine how we learn, teach, and grow. This platform is building the foundation for India's future as a global leader in education and knowledge exchange. We are proud to hoist the flag of such a powerful initiative that promises to touch every corner of the education sector. The maiden event has brightened the landscape, and exceeded the expectations, and I am certain that this edition will even go beyond."

ABOUT BHARAT SHIKSHA EXPO 2025

The second edition of Bharat Shiksha Expo comes on the back of an overwhelming response to the debut edition in 2024. Organised by **India Expo Centre & Mart**, and supported by the **Department of Higher Education, Government of Uttar Pradesh**, and the **Greater Noida Industrial Development Authority (GNIDA)**, this year's event aims to be even more inclusive, engaging, and far-reaching.

With **100+ exhibitors** from across India and abroad, spread over a massive **7,000+ sqm area**, the expo showcases **200+ products** and services in **25+ diverse education categories**, including ed-tech, study abroad, teaching tools, academic infrastructure, career support services, and more.

But what truly sets this expo apart is its **student-first approach**. With **20+ activities** designed especially for students, from counselling sessions, robotics and drones to quizzes, and singing competitions. It's a one-stop platform for learning, fun, and exploration, whether you're a curious student, a parent, an academician, or an entrepreneur, this is where you'll find something that inspires and informs.

A LOOK BACK AT 2024

The first edition of Bharat Shiksha Expo in 2024 marked a strong beginning for what is now becoming India's most dynamic education platform. Over the course of three days, the expo welcomed more than 1 lakh visitors, bringing together students, academicians, education leaders, and institutions under one roof. With 50+ exhibitors from across India and overseas, the event featured participation from some of the country's top universities and educational organisations. From interactive sessions to innovative displays, the expo created a space for meaningful dialogue, collaboration, and discovery, setting the tone for an even bigger and better edition for the future.

Bharat Shiksha Expo 2024 successfully facilitated interactions among Chairpersons, Chancellors, Vice Chancellors, academicians, and educationists from top institutions like Galgotias University, Sharda University, GL Bajaj Institute of Management and Research, Gautam Buddha University, GLA University, SRM University, Central University of Rajasthan, Shri Rawatpura Sarkar University of Chhattisgarh, and Mind Power University of Uttarakhand. International participation from North Island College, Canada, further enriched the knowledge-sharing platform.

Testimonials

Mr. Manglesh Dubey, ADM (E), Gautam Budhnagar

This year's Bharat Shiksha Expo is even more strategically posed, students are waiting for their board exam results. And now is the time for them and their parents to explore multiple horizons in excelling their career and education pathways. Bharat Shiksha's place is very instrumental in galvanizing the youngsters towards growth and success. It is a unity of education and industriousness to expand the sector globally. The expo has comprehensive expertise available to tackle the dilemma of students related to their career choices. Moreover, such gathering will definitely project and forge a stronger educational path for the young minds and will make India's education sector globally acclaimed.

Ms. Perna Singh (IAS), Additional CEO, Greater Noida Industrial Development Authority

Bharat Shiksha Expo is an important show to make students experience growth and development and take steps for improving their career pathways. The show is equipped with various activities such as hackathons, ideathon, quizzes and more to allow them to think out of the box. Bharat Shiksha Expo unites leading educational excellence to drive palpable changes.

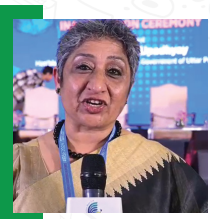

Mr. Kartikay Agarwal - CEO at GL Bajaj Educational Institutions

Indeed, a pleasure to be a part of the show, with such a transforming platform where important stakeholders are present, I am glad to present my views in reforming policies beneficial for enhancing the educational landscape. I am thankful for the organisers for creating such a thoughtful show. I welcome more such opportunities.

Mr. Puneet Agarwal, Vice Chairman, MIET Group of institutions

We have higher educational institutes in multiple cities of India, where, we have incubators and innovation centres too in these institutes. I have witnessed the show is sporting a huge number of diverse students and young minds alike. Which is why we have organised thinking labs, startupthon, ideathon, and innovation labs to make student come up with their ideas from ideation till completion. This will ensure them to think exhaustively, to help them visualise prototype to commercial ventures avenues. I am glad to be a part of Bharat Shiksha for moulding the young minds.

Dr. Manisha, Professor - Department of Zoology, Deshbandhu College, Delhi University

It is an astounding experience for me, and delightful seeing students across different institutes, parents and academicians likewise. I am impressed with the organization of such an event where I have met important people from the education industry. This will surely be going to boost the level of academic excellence.
